ACHIEVEMENTS

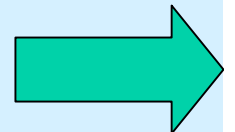

- **Education programmes in schools have had an impact on children. Teaching them kindness and making them more aware of animal welfare issues.**

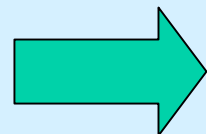

- **The welfare of stray animals has vastly improved during the last ten years.**

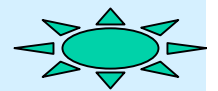

- **Circuses with performing animals are banned from working in several municipalities.**

- **Success through collaboration with other groups and societies .**

- **Successful outcome of cases reported to the veterinary department of the Ministry of Agriculture.**

Animal Welfare Laws in Greece

- **E.U. Directives**
- **The convention for pet animals**
- **Law 3170/2003**

FUTURE

- Expand circus campaign to include lobbying parliament to pass a law banning animal circuses in Greece.
- Christmas campaign: “Don’t buy exotics”.
- Raise public awareness of farm animal suffering.
